### How YOU can help IVDAARA? Tell others!

Your Board of Directors consists of 8 VOLUNTEERS. Like you, we lead busy lives. There simply is not enough time available to personally 'meet and greet' everyone.

We would sincerely appreciate your help either by volunteering on a membership sub-committee and/or letting Membership Chair, Pam Wilson, know of any new property owners between Presqu'ile and Wiarton.

Also, if you know of someone who needs help, is ill or has passed away, let us know so we can be there for our Members. Contact [Membership@IslandViewRatepayers.com](mailto:Membership@IslandViewRatepayers.com)

## Friends of Kemble Heritage Hills

Leading up to the fall election, Georgian Bluffs Council disappointingly made no decision on the maintenance and re-opening of Suicide Hill and Dodd's W Hill.

That decision will now rest with the new Council. However, Council did authorize the payment of nearly \$30,000 to a consultant for a complete roads study ... this study was conducted in the late summer and evaluated the state of every single Georgian Bluffs road and recommended that they all be repaired to a minimum class 5 standard which, if approved, would mean an expenditure of tens of millions of dollars over the next decade. The study included an exorbitant assessment to construct the Kemble Heritage Hills also to a class 5 standard, which if carried out, would completely destroy the heritage aspect that we are trying to retain.

The Friends of the Kemble Heritage Hills will continue to monitor Council and budget meetings with the goal of keeping the "heritage" in the Kemble Heritage Hills and to encourage the repair and re-opening of the hill roads at a reasonable and realistic cost."

Show your support for the Heritage Hills by joining us at the PUBLIC BUDGET MEETING February 17 & 18, 2015 at the Township Office, 177964 Grey Rd 18.
